Invitation

Greetings from the city of temples, Bhubaneswar, Odisha, India

The All India Rhinology Society and the organizing team of RHINOCON, 2018, take immense pride in inviting you all to the 31st Annual conference of All India Rhinology Society from October 4th -7th at Bhubaneswar, Odisha, India. The Department of ENT in collaboration with Department of Anatomy, AIIMS, Bhubaneswar is proud to be hosting the event at AIIMS, Bhubaneswar.

The conference theme is "**Basics to advance**". The conference shall have cadaveric demonstration of Endoscopic sinus surgery procedures & rhinoplasty, hands on cadaveric training on FESS, live surgeries, video sessions, cross fire, lectures, special training sessions and much more.

We intend to demonstrate a wide variety of live surgical procedures that we regularly encounter at our institute starting from turbinate surgery to skull base and beyond for enriching the residents and the faculty in a step wise manner over 2 days.

The best in the field shall discuss and demonstrate procedures. Our belief is to create a comprehensive academic program for all.

There shall be poster presentation, video presentation and paper presentation for residents and faculty.

The vast range of tourist attractions in and around Bhubaneswar will enthral you and leave everlasting memories.

We look forward to host you in the city of temples, Bhubaneswar, Odisha.

Warm Regards,
Organizing Committee
RHINOCON 2018
